

# C4136 Lion Door Knocker

## Mounting Instructions

**Note:** For safe mounting, it is essential to use the proper tools for your door type. Knocker is intended for use on 1-3/4" – 2 1/4" door.

### Parts Included:

Lion Door Knocker	1pc	Knocker mounting bolts with cap nut	4pc
Mallet	1 pc	Strike mounting bolts with cap nut	2pc

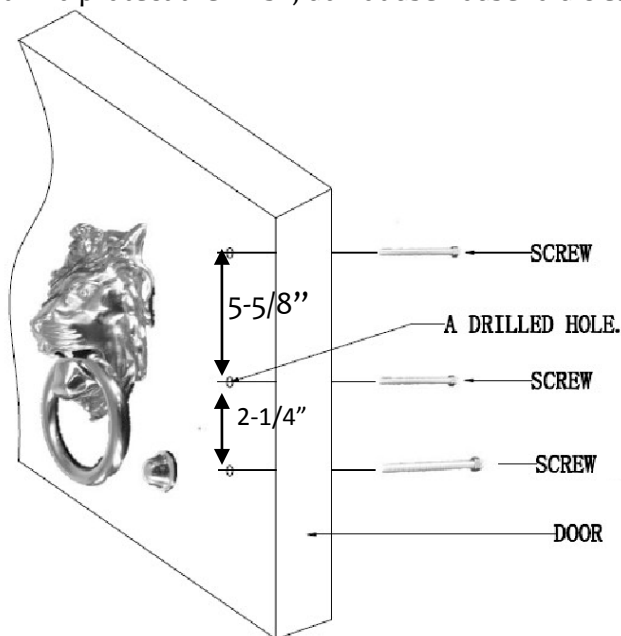

**\*\*Mounting bolts include 1 set short for 1-3/4" door, 1 set long for 2-3/4" door.**

### Mounting Instructions:

1. Place door knocker at desired location. Using a pencil, mark the location of the desired top of the knocker. Now measure down 1" from your mark (this is the location for the top mounting bolt).
2. Use a carpenter's level, tape measure and pencil to mark (2) 5/16" holes 5-5/8" on center (one for each knocker mounting bolt), and (1) 5/16" hole 2-1/4" from the bottom for the strike bolt.
3. Hold the knocker against the door so that the screw holes align with the top hole and thread the bolt into the knocker and use a wrench to secure the knocker to your door. Do the same for the strike.

### Care Instructions:

Wipe with a soft, dry cloth. To protect the finish, do not use household cleaners or abrasives.

**REJUVENATION®**
