

Products/Lighting

Nest Egg

Birch & Willow creates limited-edition and one-of-a-kind floor and table lamps and luminaries from natural, recyclable materials. Commonly used sources include vines, twigs, saplings, and stones. Birch & Willow. 617.423.3437. www.birchandwillow.com.

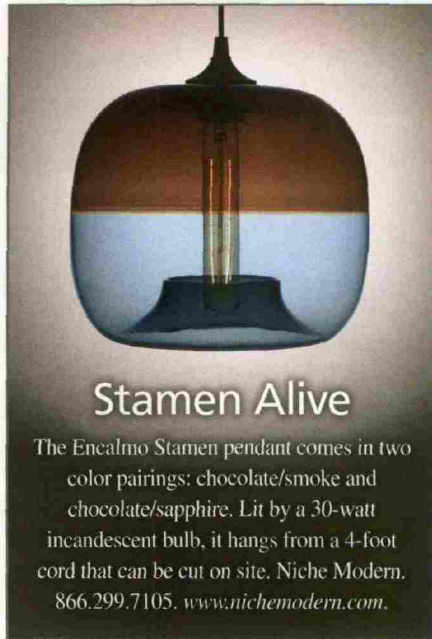

Bubble Up

An ode to George Nelson's 1950s-era Bubble Lamp, the new Bubble SO suspension lamp from Studio Italia Design is crafted from handblown Italian Murano glass. Studio Italia Design USA. 305.621.9602. www.sid-usa.com.

Finnish Lines

Secto Design Oy's Secto pendant lamp is handcrafted by Finnish cabinet makers using pressed birch. Chicago-based Haute Living distributes the product in the United States. Haute Living. 312.329.9000. www.haute-living.com.

Stamen Alive

The Encalmo Stamen pendant comes in two color pairings: chocolate/smoke and chocolate/sapphire. Lit by a 30-watt incandescent bulb, it hangs from a 4-foot cord that can be cut on site. Niche Modern. 866.299.7105. www.nichemodern.com.

Wax Muse

Rejuvenation's new Neo-Grec, gas-style light fixtures include parts that are hand-cast in aluminum using the "lost-wax" method. The series includes three chandelier designs and the Minerva (shown). Rejuvenation. 888.401.1900. www.rejuvenation.com.
