

Installation sconce side canopy screw mount

skill level

• basic electrician

installation instructions

For installation of wall fixtures with side screw canopy mounting.

1. Attach **crossbar** to electrical box using screws supplied with the box.

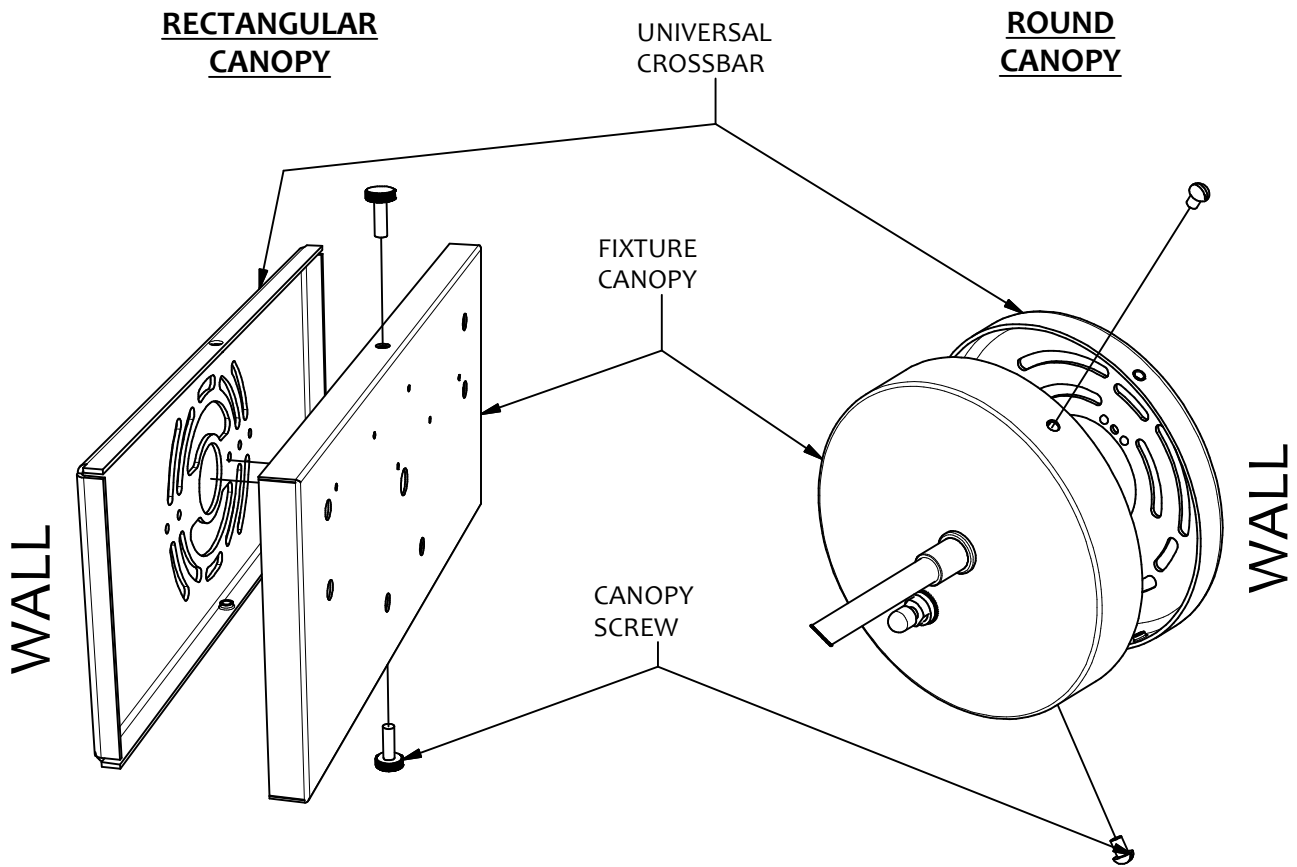

These fixtures are supplied with a unique crossbar. Most have curved slots in **crossbar** to allow fixtures to be oriented in a number of ways, regardless of position of screw holes in the electrical box.

2. Make wiring connections in accordance with local electrical codes.
See "Important Information" on reverse side.

3. Using all **canopy screws** supplied with the fixture, attach fixture to **crossbar** through holes in **canopy** sides.
