PARTS INCLUDED/PIÈCES INCLUSES /PIEZAS INCLUIDAS:

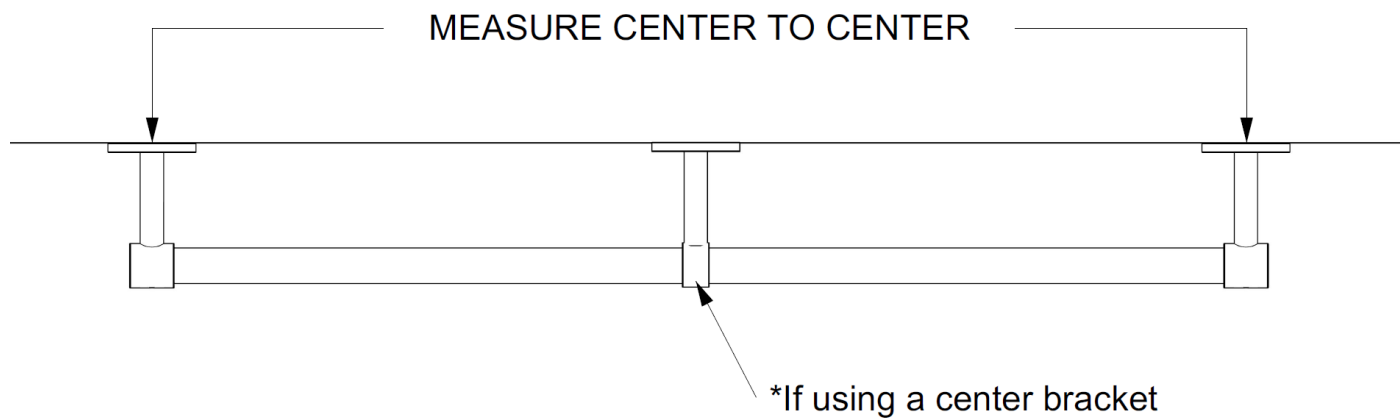

No.	Parts	Item Name / Size	Qty.
1		Rod – Tube 1Inch Dia x Selected Custom Size	1
2		End BracketsWith Mounting Plates – Undermount 1 Inch x4.13 Inch	2
3		*Center BracketWith Mounting Plate – Undermount 1 Inch x 4.13 Inch	1*
4		Flat Head Phillips Wood Screw – #8-32 0.5 Inch L Flat Head Phillips Wood Screw – #8-32 0.625 Inch L	End Bracket: 4x – 0.5” 4x –0.625” Center Bracket:* 2x – 0.5” 2x – 0.625”
5		Allen Key	1

*Only included with rod lengths 48in or greater

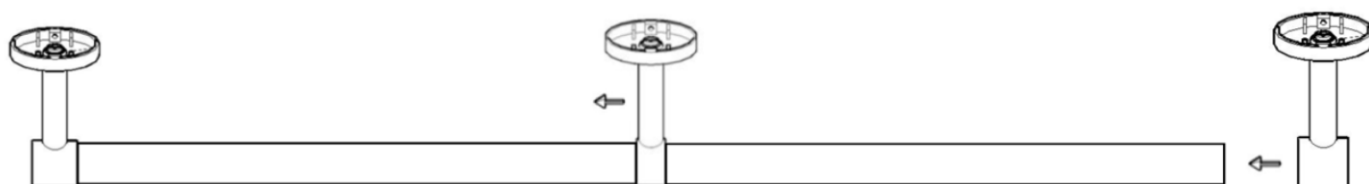

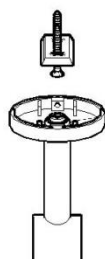

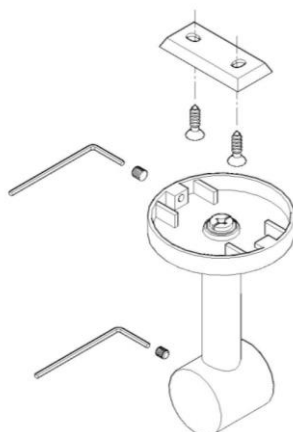

*Please note: Recommended installation 2 people.

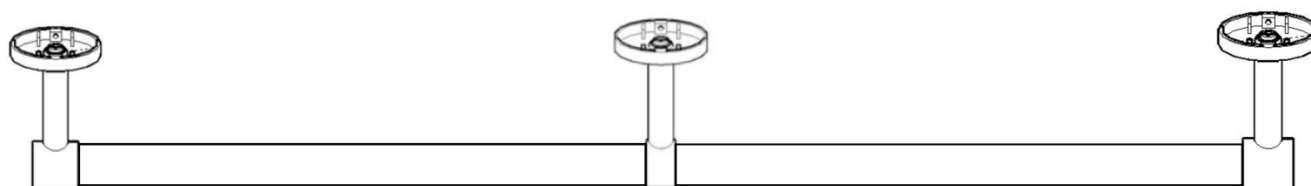

STEP 1 – Fit end brackets onto rod WITHOUT installing. Measure center-to-center of brackets and use this measurement in Step 2. If using center bracket, slip center bracket over rod, positioning it at the mid point of the rod, measuring from one end bracket to the center of the center bracket.

STEP 2 – Use the measurement from Step 1 to mark location on your cabinet for the mounting plates. Holding the mounting plate centered on your marks, drill small pilot holes, being careful not to drill all the way through the cabinet. Attach the mounting plate to the cabinet with the appropriate length supplied screws. Install 1 end bracket and tighten set screw on bracket base. While holding the other bracket(s) on the rod, slip the rod into the first bracket, positioning the brackets over the mounting plates and tighten set screw(s).

STEP 3 – Laundry rod has been assembled and is ready for use.
