

# Marcella Install Sheet

## installation instructions

1. Install the cross bar onto its junction box, make wiring connections in accordance with local electrical codes, then attach the fixture canopy to the cross bar with the 3 supplied canopy screws.
2. Raise the shade cap by rotating the shade cap counter-clockwise until it cannot rotate farther.
3. Place the shade ring around the shade so the outer lip of the shade is covered by the shade ring.
4. Raise the shade and shade ring so the socket is inside the shade and the opening of the shade is seated inside of the shade cap.
5. Place each teardrop shaped chain loop around one of the mounting studs on the shade ring and install a thumb screw into each mounting stud to lock the chain in place.
6. Lower the shade cap by rotating the shade cap clockwise until it cannot rotate farther and it is seated against the top of the shade.

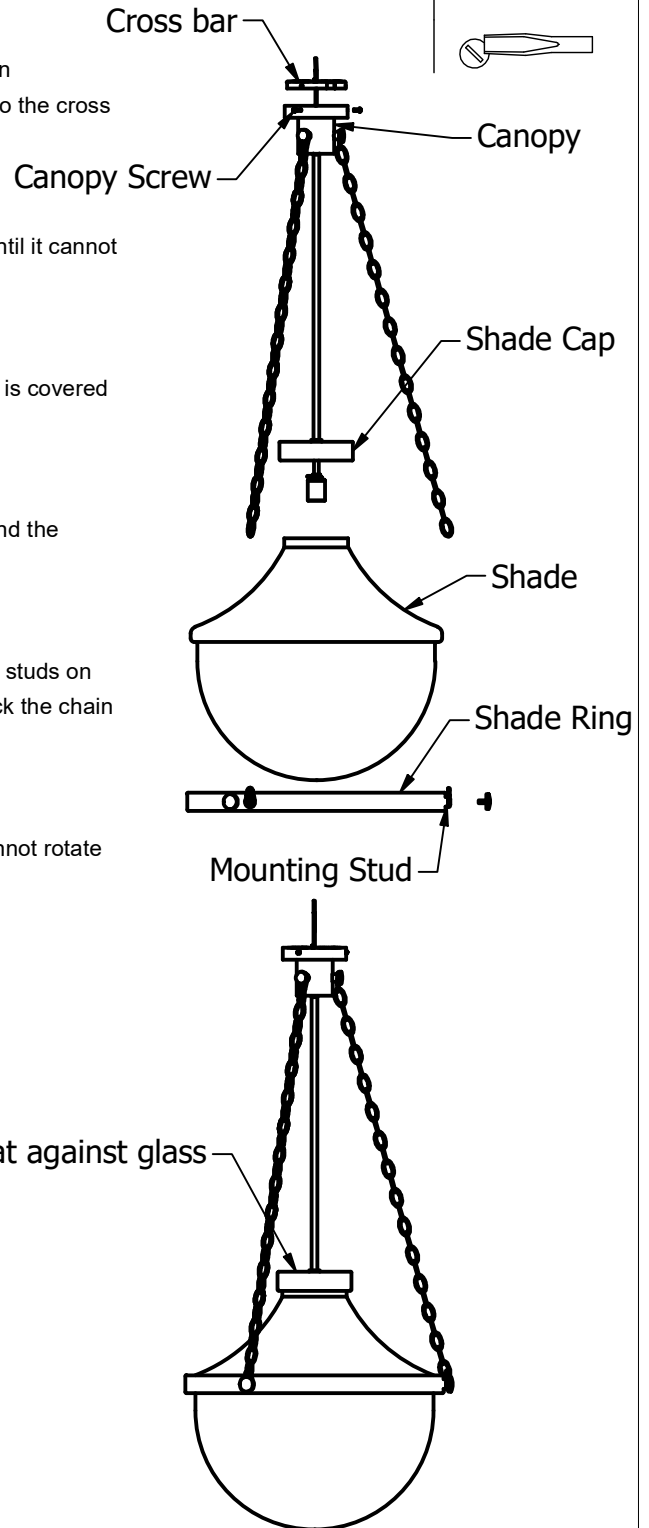

See "Important Information" on reverse side.

*Complete !*

Rotate clockwise to seat against glass
